## Notes

- (1) Cut Size: actual finished size may vary 3 inches in height and/or width.
- (2) Rip Stop is available in Green (#95), Yellow (#85), Orange (#75), Blue (#65), Black (#55), or Red (#35). Insert fabric number to complete part number, e.g., 4' x 5' green Rip Stop curtain part number is 4520-95.
- (3) Clear/Colorless See-Thru available in 14 and 40 mil at the same price as Gold or Amber, but is NOT to be used for welding or U.V. filtration.

Minimum size for pricing a made to order curtain is 20 sq.ft.

Curtains and free-standing frames can be ordered as separate items. All standard Wilson curtains are made to fit Wilson Stur-D-Screens or Modular Frames. When possible, Wilson recommends using a welding curtain one foot shorter than the height of the welding frame to allow for air ventilation. All curtains have grommets on one width side 8" on center and both height sides 16" on center.

## Glide-N-Fold Curtains

Accordion style folding curtains offer a space saving configuration with a sharp, clean appearance. Sold in multiples of 24" or 48" widths.
